SUMMARY

Second-year IT engineering student with an interest in web development and UI/UX design using Figma. Currently learning React and applying design thinking to create functional and user-friendly solutions. Skilled in English communication, teamwork, and problem-solving, with hands-on exposure to real-time app and portfolio development through college projects. Actively contributing as a Web Developer & Graphic Designer (IEEE SSGMCE) and Training & Placement Coordinator at SSGMCE.

TECHNICAL SKILLS

Languages & Tools: React.js, JavaScript, HTML5, CSS3, Figma (UI/UX), Git & GitHub, Fusion CAD software.
Other: Responsive Web Design, Communication Skills, Problem Solving.

TECHNICAL PROJECTS

Zync UI – Real-Time Chatting App (FabLab Project)
- Contributed to developing a real-time chat application UI as part of Digital FabLab SSGMCE.
- Collaborated with team members to design interfaces and ensure smooth user experience.

Personal Portfolio Website (React – Learning Project)
- Building a responsive personal portfolio website to showcase projects and creative work.
- Applying React concepts alongside HTML, CSS, and GitHub for project deployment.

EXPERIENCE

Web Developer, IEEE SSGMCE
- Supporting web initiatives under IEEE SSGMCE, ensuring professional and responsive design.

Graphic Designer, IEEE SSGMCE
- Designed promotional material and visual assets to support student and faculty initiatives.

Training & Placement Coordinator, SSGMCE
- Facilitated communication between students and faculty, supported placement activities, and ensured smooth coordination of events.

Managing Member, INNOVO HACKATHON SSGMCE (Feb 2025 – Present)
- Coordinated technical initiatives, facilitated collaboration, and guided peers in project execution.

EDUCATION

Bachelor of Engineering in Information Technology (2024 – Present)
Shri Sant Gajanan Maharaj College of Engineering, Shegaon, Maharashtra

SSC– 2021
Saint Paul's Academy, Akot

HIGHLIGHTS

• Accomplished artist — artworks featured in the annual college magazine Tattwadarshi 2025.
• Division-level Kabaddi player — represented school in inter-division tournaments.
• Languages: English (Fluent), Marathi, Hindi
